CHARLEVOIX COUNTY HERALD

G. A. Lisk, Publisher

ONE DOLLAR PER YEAR

Entered at the postoffice at East Jordan, Michigan, as second class mail matter.

Our County Tickets.

The Republicans of Charlevoix County have reason to congratulate themselves in the personnel of their County Ticket. Every man on the ticket has been tried and all have shown those qualifications that are adapted to and for public service. In state and national issues they stand firmly on the party platform and will do all they can to advance Republican ideas.

The talk of "Ring" and "Bossism" seems to be somewhat out of place when one gives good, honest thought to the matter to the convention that nominated them. Nearly a full delegation was present and each man nominated, if not unanimous at least had a large majority vote. There is a good party organization and no one will dispute the fact that such an organization is requisite to good government. The only time that an organization becomes menacing is when it is used for illegal purposes. No one would think of charging any Republican nominee with any crime greater than a party zeal. Every man on the ticket will be elected and there will be no regrets.

If our brother publisher really wants to know anything further in regard to the HERALD's editorial of last week, we respectfully refer him to certain DEMOCRATS who have ordered their names struck off from the Demo-sorehead ticket.

MR. WARNER'S RECORD

He Has Been a Faithful Public Servant.

SPLENDIDLY EQUIPPED

For the Duties of Governor—Paper Now Assailing Him Also Vilified McKinley, Hanna and Chandler

No warmer commendation was ever given to the public acts and purposes of any man than was given by the Detroit Evening News and the Detroit Tribune in referring to the legislative course of Fred M. Warner during the sessions of 1895 and 1897. On May 31, 1895, at the close of Mr. Warner's first term as senator the News said of him:

"While the term corporation will always be associated with the legislature of 1895, and deservedly, too, it is only fair to say that there was a respectable minority in both houses, which, had it been able to shape the course of affairs, would have made a brighter history. Such senators as Warner (and seven others, naming them, and thirteen members of the house, naming them) were the more conspicuous of the little group at each end of the capitol whose course was uniformly the reverse of that marked out by the machine and other corporation lobbyists."

After Fred M. Warner's Second Term as Senator.

"There has been a small minority in the senate that has all along resented the patronizing way Thompson talked about them and of his ability to swing the majority for or against any bill as he pleased. They are Republicans like Warner (and five others, naming them). Their districts will make no mistake in re-electing them."—Detroit Evening News, June 1, 1897.

Warner's Record as State Senator.

Fred M. Warner voted in favor of a bill for the taxation of sleeping cars in 1895.

Fred M. Warner was one of the twelve senators who voted (May 27, 1897), to take the Michigan Central Charter Repeal bill from the committee.

Fred M. Warner voted for the so-called Atkinson Railroad Taxation bill at the special session of 1898. Discussing the measure (Senate Journal, 1898, p. 238) he said: "I am in favor of the passage of this bill. I think it is in the line of equal and just taxation and should be passed."

Fred M. Warner was one of the nine senators who voted against tabling the bill which provided for the reduction of railroad fares in the Upper Peninsula.

Fred M. Warner was one of the seventeen senators who voted in favor of increasing the rate of taxation of express companies in the special session of 1898.

The above is proof positive that Fred M. Warner never has been and never will be controlled by any machine or combination whatsoever.

DON'T LOSE SIGHT OF THIS FACT.

Republicans should not lose sight of the fact that the next legislature will reapportion and redistrict the state on congressional and legislative lines. How would you like to see the state gerrymandered by a legislature bossed by Czar Campau, with a governor, Campau-machine-made, to sign such a bill? It would, of course, mean a gerrymander that would outgerrymander anything ever before attempted, and for what purpose? To elect Campau United States senator and give the Democrats in congress comfort by the election of several Democratic congressmen two years hence. It would make Michigan the battle ground in the next congressional election with a probable Democratic electoral vote in 1908. Republicans will not be drawn into this trap.

WAS REPUBLICAN LEGISLATION.

The Australian ballot system means in the mind of pretty much everybody, the feature of an authorized uniform ballot furnished by official authority, and the private booth in which the voter prepares his ballot secure from observation. These are the effective safeguards that are in the mind of every man when he speaks of the Australian ballot, and without which no other features of it would be worth anything. Those are provided in the election law enacted by the Republican legislature of 1896, and approved by Gov. Cyrus G. Luce. The law was passed by the votes of 80 per cent of the Republican members, while 60 per cent of the democrats either voted against it or did not vote at all. In an amendment adopted by the succeeding Democratic legislature the feature of the blanket ballot was added; but that is a detail of trifling consequence beside the provision of the official ballot to be furnished by the state or the county, and the private voting booth, which are the features of vital consequence, and were both republican measures.

THE REPUBLICAN CANDIDATES.

It is reason for congratulation that the head of the Republican state ticket has with him as accompanying candidates a list of gentlemen who will well bear the scrutiny and investigation which comes to men who desire official positions. In every instance they are cordially supported by their home friends, several of them having won their way to official promotion through faithful and intelligent service rendered in other official state relations. The Republicans of Michigan need have no fear as to the personal strength of their candidates before the people, nor as to their ability to well perform the duties that will come to them after their election.

Fruit at the Breakfast Table!

Nature Provides Its Own Remedies Which, If Used Judiciously, Insure Perfect Health at All Times.

Aside from the pleasure of eating seasonable fruits beginning the first meal of the day, this custom has undoubtedly arisen from the well known fact that nearly all fruit, and more particularly plums and PRUNES contain natural laxative principles which act directly on the stomach and bowels.

Constipation, that dread and troublesome complaint which is undoubtedly the basic cause of nine-tenths of the dyspepsia, indigestion, biliousness, etc., so prevalent among our people today, and, which if neglected, surely leads to more complicated and serious organic diseases, can surely be prevented, and when not too far advanced, can be absolutely cured by the judicious use of the modern laxative and cathartic California Prune Wafers.

They are not a patent medicine in the ordinary sense of the word, being compounded from fresh California Prunes, which every intelligent person knows is truly nature's laxative.

A dainty little wafer, always the same, compounded in a highly concentrated form from fresh California Prunes.

They are a natural dissolvent acting on the contents of the stomach and bowels and not on the organs themselves.

They regulate the Liver and Stomach, Cleanse the System and Purify the Blood, Cure all Bowel Troubles, Biliousness, Bad Breath, Bad Blood, Wind on the Stomach, Bloating Bowels, Foul Mouth, Headache, Indigestion, Pimples and Dizziness.

Every household should have its family package of California Prune Wafers, and at the first signs of approaching illness or when under the weather, take a couple of wafers, and the doctor's bills will soon be much smaller than they are now.

You can eat what you please if you follow each meal with a California Prune Wafer, which quickly dissolves the most indigestible food, and helps to carry it through and out of the system in a gentle and healthful manner, without the slightest pain, griping or nausea. 100 Wafers for 25c.
